

Plan DKV Visa

Taking care of yourself in Spain is easy

The health insurance that makes
it easier for you to apply for
residence in Spain.

Quality, ease and speed

At DKV, your wellbeing and that of your loved ones is our top priority. That's why our insurance plans are designed to provide you with the highest quality, ease and speed.

QUALITY, because you get the best coverage in the market, including all the services you need for your care. You also have access to the best healthcare centres in the country and one of the most extensive medical networks.

EASE, because our services, information and contracts are designed to be simple, clear and straightforward. Without complications.

SPEED, because you can manage everything quickly and conveniently through various channels at your disposal. We are here for you, always.

All this comes with the guarantee of being part of **ERGO**, one of the largest insurance groups in Germany and Europe, serving over 2 million people.

These are our 10 commitments to you

1

No copayments or waiting periods.

2

Policies with a yearly duration of 365 days, annually renewable.

3

Annual payment. Card payment option for customers who do not have a bank account in Spain at the time of taking out the insurance.

4

Always with you. **Lifelong policy** after the third year.

5

We take care of your smile: **dental services are included.**

6

For trips of **up to 180 days abroad, you have up to 30,000 euros for medical assistance in case of illness or accident during your stay.** This will allow you to enjoy your trip worry-free.

7

In the event of any **work-related or traffic accident, we will assist you** at all times so you do not have to worry about any paperwork.

8

If you are admitted to the hospital, **starting from the third day, you will receive 80 euros per day, up to a maximum of 2,400 euros,** provided that hospitalisation expenses are not covered by DKV.

9

With the **Aactiva DKV app**, you can manage and check all aspects of your insurance in seconds — easily and from wherever you are.

10

To always have the most complete services at hand, the **Quiero cuidarme Más app** allows you to chat with the medical team 24/7, access medical reports, prescriptions and much more.

Comprehensive health insurance to make sure you have everything you need.

Plan DKV Visa has everything your health requires:

24-hour emergencies.

Primary Care

- General practice.
- Paediatrics.
- Ambulances.
- Basic clinical tests.
- Nursing.

Specialists and diagnostic tests

- All specialities: cardiology, dermatology, gynaecology, study and treatment of allergies, traumatology...
- Diagnostic tests: X-rays, scans, MRI, PET, PET/MRI in oncology, etc.
- Podiatry, physiotherapy, and rehabilitation without limits.
- Minimally invasive diagnostic methods.
- Prosthetics, except for cardiac and vascular, up to 12,000 euros.
- No waiting periods in all diagnostic tests, except for biomechanical gait analysis (only individual modality).

Hospitalisation and surgery

- Medical, surgical, obstetric, paediatric, psychiatric, ICU, and hospitalisation for dialysis and artificial kidney.
- Da Vinci robotic surgery for prostate cancer or organ-confined and exophytic renal cancer (less than 4 cm).
- Oncological treatments: radiotherapy, brachytherapy, Proton therapy (up to 14 years) and chemotherapy.
- Compensation for hospitalisation if admitted to a hospital not included in our medical directory (80 euros/day, up to 2,400 euros).
- Hospitalisation with no day limits (except psychiatric, maximum 60 days/year).

And there are still more benefits

—You can choose a specialist within the DKV network of contracted doctors, at no additional cost. You have more than **51,000 professionals and 1,000 healthcare centres**, such as Clínica Universidad de Navarra (top 1), Quirón, HM Hospitals, Vithas, Ruber or Juan Bravo, among others.

—**Dental cover included** at no additional cost. It includes more than 50 free procedures, such as unlimited dental cleans, x-rays and consultations; and all others at special prices.

—**Endopredict**. This is a multi-gene test to estimate the risk of breast cancer recurrence and the benefits of the proposed treatment.

—Assistance in **pregnancy and childbirth**. In addition, 3D/4D ultrasound during pregnancy and non-invasive prenatal genetic screening (foetal DNA) in at-risk pregnancies.

—**Oncoplastic breast reconstruction following radical surgery** and contralateral breast symmetrising surgery post-mastectomy.

—20 sessions of **speech therapy sessions and rehabilitation per year for children**.

—Cervical cancer prevention programme: **includes preventive HPV test**.

—**Proton therapy** for the treatment of paediatric tumours (under the age of 14).

Worldwide assistance for stays of up to 180 days and in the event of an emergency

You are covered up to 30,000 euros for medical, surgical, pharmaceutical, hospitalisation, repatriation, document delivery, legal defence and many more expenses. Call +34 913 790 434 and we will assist you.

Specialised phone lines (900 810 074)

- 24-Hour DKV physician.

Your DKV space, very close

At DKV Health Spaces, you have the best medical care within reach. Spacious centres where you will feel comfortable, with all services and the latest technology.

Consult with your **Health Specialist** for the nearest locations. If you are elsewhere in Spain, visit dkv.es/espaciosdesalud and find available centres near you.

We help you to prevent illness and **take care of your health every day**

You already know that with Plan DKV Visa, you have the highest level of coverage to use whenever you need it, but we also work to help you maintain a healthy lifestyle.

Preventive care programmes

We share healthy lifestyle habits with you and help you improve your quality of life and that of your family members:

- Paediatric health programme.
- Programme for the early detection of diabetes.
- Programme for the early detection of glaucoma.
- Programme for the early detection of gynaecological cancer in women.
- Programme for the prevention of coronary risk.
- Programme for the prevention of skin cancer.
- Programme for the prevention of colorectal cancer in people with a past medical history.
- Programme for the prevention of prostate cancer for men over 45.
- Dental health programme.

Additionally, in the Quiero Cuidarme Más app, you can access personalised **preventive programmes with support from a coach** who evaluates and follows up on your progress.

Your online store: DKV Club Salud y Bienestar

As a club member, you receive **multiple discounts on health and wellness services for the entire family**: You will find offers on nutrition, fertility, refractive surgery for near-sightedness and long-sightedness, hair health, sports medicine, genetic studies and many more products.

Your health will be in the hands of the best clinics, **with more than 25,000 professionals**. These are some of the brands that trust in the Club to provide their services to our customers: Clínica Baviera, Podoactiva, Biocord, Cuideo, Gaes, IVI, Logitravel, Óptica 2000, and Psicocare, among others.

With DKV Club Health and Wellbeing, you get **discounts on prices, reduced rates, one month of free subscription to apps, raffles, and much more**.

Everything you find in our Club is **validated by health technology assessment agencies**. Additionally, the DKV team includes medical specialists who oversee the entire service offering.

Find out more about all the services and discounts. Contact your Health Specialist, visit dkvclubdesalud.dkvseguros.com, or call 900 810 670.

Your health insurance is with you 24 hours a day

Activa DKV App

With the Activa DKV app, you can easily and quickly access everything your insurance offers. You can manage reimbursements, authorisations, consultations, and much more, conveniently and wherever you are.

- **Consultations.** Find the nearest doctors, specialists or emergency centres.
- **Digital card** available on your mobile phone.
- **Manage authorisations.** You can request and check the status of your medical authorisation. You will receive an instant notification with the status of your authorisation.
- **Do you have questions? Ask Nauta,** your virtual assistant, who will offer you the information you need to manage your policy at any time.
- **Find the nearest DKV branch** for in-person attention.
- **Connect with DKV** via instant messaging (Wall/WhatsApp).
- Check or change your **contact details.**
- Check or download your **policy's conditions.**
- Access **Quiero cuidarme Más.**

Download the Activa DKV app
from Google Play or App Store.

Quiero cuidarme Más app

Access all the functions from your mobile phone:

- **Medical directory** that provides the following:

—**24-hour medical chat** with advice from a healthcare professional for consultations from your mobile phone.

—**Video consultations in multiple specialities**, both in our virtual Espacio de Salud and with the professionals in our medical directory, which we make available to you.

—**Request an in-person appointment** with the professionals in our medical directory and book an appointment online or by phone.

- **Symptom checker** for a first medical approach on the experienced symptoms.

- **Mi farmacia.** Request the **electronic prescription** on your phone, so you can go straight to the pharmacy. In addition, **chat with a pharmacist** to clear up your doubts. You can also see the details of the prescribed medication and purchase over-the-counter chemist products via DKV Club Salud y Bienestar.

- **Take care of your mind.** We offer a section with information about your mental health and the possibility of receiving psychological guidance to solve issues that concern you. The service allows opening a chat with a psychologist who will suggest a treatment and a series of tips and guidelines to follow.

- **Digital midwife.** Resolve any queries about the care of the newborn, breastfeeding and physical and emotional recovery after childbirth.

- **Health indicators and challenges.**

- **My diary:** a personal agenda to record and review your medical appointments and other health activities.

- **Personalised preventive programmes** with the support of a specialist in coaching.

- **Online physiotherapy.**

- **Remote speech therapy service for children.**

Additionally, if you have your children linked to your policy, you can activate a chat with the pediatrician from Monday to Sunday, from 8 AM to 10 PM, to ask any questions you may have.

New for 2025

- Possibility of **three-way video calls:** to accompany elderly or disabled insured persons on their appointments.

- **Specialised support for epilepsy:** chat with professionals specifically trained to deal with problems related to epilepsy.

- New **psychoemotional health test:** you can complete a questionnaire and receive an automatic assessment on your well-being.

* Specialities: allergy, digestive system, cardiology, general and digestive surgery, dermatology and venereology, endocrinology and nutrition, gynecology and obstetrics, general medicine, internal medicine, nephrology, pulmonology, neurosurgery, ophthalmology, otorhinolaryngology, pediatrics, psychology, psychiatry, rheumatology, pain management, traumatology and orthopedics, urology..

If you have children linked to your policy, you can also activate a **chat with the paediatrician** from Monday to Sunday between 8:00 am and 10:00 pm to ask any questions about your children in the policy.

Other functionalities:

Connection to Apple Health, Google Fit, Garmin and Fitbit.

DKV makes it easy for you: Customer area

- Easily manage your authorisations.
- View and change details of your policies.
- Download the general and specific terms and conditions of your policies.
- View bills and copayments.

And a lot more.

Services managed by DKV Servicios S.A., entity entrusted with the provision and development of digital health services for persons insured by DKV Seguros y Reaseguros SAE.

The age limit to take out insurance is 75 years old.

Examine your health insurance

Reviewing your insurance is as important as taking care of your health. Your needs may change over time. Which is why we recommend that you check if your insurance is still suitable. If it is not, your Health Specialist will help you find the best solution for you.
